

November 2022

Dear Potential Sponsor:

Thanks to the support of sponsors like you, **Eastmont Youth Baseball** has been incredibly successful in past youth baseball seasons. The large turnout for youth registration was record breaking during our 2022 season, and it was made apparent that kids and families in our community were ready and excited for the baseball season. That means with the help of sponsor support, Eastmont Youth Baseball will be able to continue teaching local children the fundamentals of baseball, including the values of sportsmanship and teamwork.

At this time, we are asking that you become a 2023 season team sponsor. In exchange for your sponsorship, your company name and/or logo will appear on the jersey given to each child on your sponsored team. You will also receive a picture/plaque of the team you sponsored at the end of the season. The cost of sponsoring a team is \$500.

Additionally, the North Washington Cal Ripken Youth Baseball State Tournament for 11 & 12 All Star Teams will be played on our very own Eastmont 4 Plex Baseball Fields July 5th- 8th, 2023. Sponsorship will be utilized to assist with this exciting event for our player, families, and community.

Please consider our request as our Board of Directors strive to make baseball an affordable activity for all children ages four to twelve. For questions, contact us at eastmontyb@gmail.com and thank you for your continued support, it is greatly appreciated.
