

BAMBINO BUDDY-BALL

SPRING 2023

Eastmont Youth Baseball is proud to offer **Bambino Buddy-Ball** for athletes with special needs (ages 5-young adult). This is a fun, supportive atmosphere, that builds player confidence while playing the game of baseball with a buddy. A Buddy (a player from the Minors/Majors divisions or volunteer) will help guide each player on the field while batting, during base running, and defensive play.

The **Bambino Buddy-Ball Division** allows athletes of all abilities to learn the fundamentals of baseball while having fun!
